NOTE: If you would like to enter a team of women that includes non-lawyers (i.e. friends, favourite clients, potential clients, etc.), please feel free to do so. This is supposed to be a fun way to play golf in a non-threatening atmosphere with the opportunity to network and meet other women. Although we offer the opportunity to enter a team, you certainly do not have to - we welcome all players and will ensure that everyone who wants to play, gets to play.
